Principal's Comment

KHS Leadership in Term 3
I will be stepping outside the school for the duration of Term 3 to undertake a School Leadership Officers Position for our department. The role is one of 25 created across the state and will allow me to work with principals in primary and high schools on leadership programs for their own development and on team projects that will enhance the leadership capabilities in their schools.

As I had already applied for a short period of leave at the beginning of Term 4 I will return to Kooringal High School from the second week of the term. In my absence Mr Davies will relieve as Principal, Mrs Nickell as Deputy Principal and Mr Forsyth as Head Teacher Science.

I look forward to the opportunity and to bringing the benefits of my work back to our school.

String Movement
I want to thank our Student Support Officer, Erin Diggelmann, and the many students who took part in this annual stand against bullying. It was very encouraging to see the large number of students sign up to stand against such behaviour and the simple action of wearing a piece of string around their wrist for a month was a powerful symbol of solidarity.

I have often said that no school is immune from bullying behaviour and that the strength lies in the way a school responds to such issues. Education and the development of a culture of support for young people are at the heart of a successful response and this program has been an excellent example of how people coming together can make a difference.

End of Term Thanks
My thanks go to all staff and students who have contributed strongly to our success this term. I hope that you have a good holiday break and that you keep warm. School resumes on Tuesday 15th of July as the Monday is a School Development Day.

Stop Press:
Congratulations Mr Leyshon

Mr Leyshon has been recognised by the NSW Secondary Principal’s Council with a “Distinguished Service Award”. He was presented with the award last week at the State Principal’s Conference.

~Upcoming Events~

Monday 24th & Tuesday 25th June
Merit Assemblies

Friday 28th Jun
Last day of term 2

Term 3
Monday 15th July
Staff development day

Tuesday 16th July
Students return to school
Kooringal High School Canteen Volunteering

The KHS Canteen is always looking for volunteers, and without this assistance we would not be able to provide a quality service to our students, staff and parents. Your help also allows proceeds from canteen sales to be donated to the P&C where the monies are used to the benefit of all students at KHS.

Gail Chyb, our canteen supervisor, very efficiently runs our canteen so volunteers are spared from most of the food preparation which includes items such as salad rolls, wraps, hot dogs and chicken burgers. Although, depending on sales, extras may have to be made after recess for the lunch period.

If you are able to help, even if only for an hour or so, please phone Gail Chyb on 69224286.

A basic summary of volunteers’ list of duties is listed below.

- **Arrive at 10:30am and volunteers must sign in**
- **10.50am** - prepare chicken burgers for recess
- **11am – 11:20am** recess
- **After recess check stock levels and top up if required**
  - Empty cardboard trolley into the recycle bin
  - Wash up used kitchenware etc
- **Assist with any food preparation if necessary, e.g. salad rolls and wraps**

**LUNCH AND A CUPPA – CONVERSATION – GOSSIP – JOKES ETC**
(The Canteen provides Lunch for volunteers)

Please note: if you do wish to go out at the end of recess that’s OK. The time to return is 12:40pm in time to help prepare the chicken burgers and hot dogs.

- **12:50pm – prepare hot dogs and chicken burgers**
- **1pm – 1:45pm – lunch**
- **After lunch check stock levels and top up ready for the next day**
- **Wash up used kitchenware etc**
- **2pm – going home time. Helpers must sign out**

Important Points:

- Please pay attention to personal hygiene – always wash hands with soap and water prior to food handling and after handling money!
- Please note that we do not mind volunteer’s children who attend KHS coming into the Canteen when parents are working, but prefer that they stand at the end of the serving area and wait to be served by their parents. Younger non-school aged children are also welcome with plenty of bench space for DVD players and colouring, we just ask that these children remain at the back away from serving areas.
- If purchasing items from the canteen for yourself or your child, please give the money to Gail or another volunteer.

Once again Thank you. We really appreciate your volunteer help and your support for the High School.

Regards,

Kooringal High School Canteen Committee
