Principal’s Comment

A few weeks ago the school had its own election in the form of the process for school captains. All the students involved had to fulfil a range of expectations before they could even nominate for the positions, the most important, being on level ten in our welfare system. After nominating, these students were interviewed, they spoke to the staff and finally gave a speech to all of year 10 and 11. Well done to everyone involved. It is my honour to announce the successful candidates:

Female Captain:   Meg O’Donnell  Male Captain:   Fraser Noack
Female Vice Captain:  Kate Elliott-Rudder  Male Vice Captain:  Peter Forbes-Taber

Peter Forbes-Taber, Kate Elliott-Rudder, Meg O’Donnell and Fraser Noack

We have now had two Staff V’s Student challenges. As this article had to be in before today’s challenge I can only presume that the staff have once again cleaned up and won the trophy for the umpteenth year in a row. Some changes to the sports / challenges were introduced this year in the hope that the students could stop the Queensland-like dominance by the staff. We do have one more challenge to participate in and let’s all hope that the students are able to save some face by offering some sort of resistance.

Student success continues in many fields of the school. Jessica Nosworthy in Yr 8 has been selected in the 2013 NSW State Choir and two of our Tournament of Mind teams have made it to Sydney to compete on Sunday 8th September. Well done, a huge effort.
