Principal’s Comment

Last Friday, Ms Rheinberger, her class and six students from the leadership group participated in the Northcott Walk With Me Day. After meeting at the civic centre they walked down Baylis St and returned to the civic centre for a BBQ lunch and entertainment. All the students had a great time and had nothing but positive comments about the experience.

On Monday, the Staff vs Year 12 students challenges concluded with the netball being a washout. With a lead of 2-1 after Friday’s dodgeball challenge the students have sealed victory. Congratulations Year 12 and well done to all! It was a fun (and at times controversial) competition, played in great spirit.

Tuesday saw the school have its first ever Sports Presentation Assembly. We were lucky enough to have two guest speakers for this event, Chris Mortimer, Australian, NSW and Bulldogs Rugby League player and Daniel Fitzhenry, long time player for the Wests Tigers. The purpose of this assembly was to acknowledge and celebrate the sporting achievements of our students. It saw the introduction of team awards, further acknowledged our Riverina reps and emphasised the achievements of individuals in all sporting arenas. Many very proud students and parents attended, with the accolades received being well-deserved, a small token for all the hours of training and effort put in to reach such high levels of success.

This week saw year 12 complete their 13 years of school. With the HSC exams starting next term, we wish them all the very best. Good luck year 12, study hard over the holidays and remember that all of your teachers are here for you if you require assistance.

I would like to thank our school captains, Emily Keyes, John Broughton, Briana Grant and Pat Hargreaves with whom I have had the privilege to work more closely with this term. They have shown great maturity, leadership and common sense in the very difficult role of leading year 12 and the student body.

I cannot finish this article without a massive thank you to Ms Lisle, year 12 year advisor, for all her efforts over these six years, guiding, helping, encouraging and being a mum to all 80 plus students. A tough job but done with class and dedication.

Have a safe and enjoyable holiday.

“Live as if you were to die tomorrow. Learn as if you were to live forever.”
