Principal's Comment

Parent Teacher Night Monday 25th of August
By now parents should have received the information regarding the Parent/Teacher Night this coming Monday. The night covers students in Years 7, 8, 9, 10 and 11 and will be held in the gym. Parent/Teacher Nights are an excellent opportunity for you to come along and engage with the teachers who teach your child on a daily basis.

P&C Tuesday Night
The August monthly meeting of the P&C will be held in the Common Room in the Admin. Building this coming Tuesday, the 26th of August. All welcome!

Facebook and the KHS App.
Over the last 18 months we have embarked on new ways to get our message out to the community and this has included the development of an official KHS Facebook page and an app that can be downloaded for iphone and Android (Google). To date there are 1080 people who ‘like’ our Facebook page and a significant number of people who are utilising the KHS App. There have been some teething problems with the app which have been addressed by the company who oversees it for us so I ask that you persevere with it. A recent feature is the inclusion of a notification of a message by a small number on the app. icon which we hope will be of benefit. Parents may need to update their phone software and also look for the new app. Update. To access the app. you will need to update to iOS7 in your settings. For those who may already have this who are having trouble the advice is that following the recent upgrade you may need to try deleting the app. and re-install it, remembering to accept notifications.
