## Principal’s Comment

### School Production Gets Underway

**The ‘Y’ Factor**

Each year “the production” holds a special place in the life of our school. It’s the subject of many conversations for months and is the key focus for over fifty students and staff as they prepare and deliver the final product.

This year, The ‘Y’ Factor, is truly a home grown product. Written by Head Teacher Creative and Performing Arts Mr Russell and with Mr Lowrie taking on the role of Director, Ms King the role of Musical Director and Mrs Nickell the role of Head Choreographer, we can lay claim to all aspects of this project coming from within.

I have made the point to the students involved that they are part of the history of the school as well as their efforts being a memory that they will carry for the rest of their lives. The conversation about The ‘Y’ Factor will therefore continue long into the future.

I wish all cast and crew the best of luck over the two weeks of performances and thank our staff for the whole school effort that has brought this project to life.

### Carroll Cup and Tracey Gunson Shield Come to a Close

The performances of our Open AFL Team in the Carroll Cup and our Open Netball Team in the Tracey Gunson Shield, has brought credit to us in recent weeks.

While not being the winners of the respective competitions we have performed creditably in both and once again our students have carried themselves with the right values and determination at all times.

Sport plays a significant part in the life of our school and it was great to see our seniors competing hard, showing teamwork and having fun.

Again I thank those teachers who have coached teams this year for their support of our students.

### Year 11/12 Parent Teacher Night

The opportunity exists for parents of Year 11 and 12 students to meet with teachers next Tuesday afternoon from 4:00 to 6:30pm in the school gym.

Booking sheets are out and in the hands of students already. I commend this to you as a great opportunity to discuss progress as well as the course work ahead.
As part of the English, Work Education and Work and the Community curriculums, students in Mrs Rheinberger’s class have been learning about the world to work. To complement these lessons, on Thursday May 21, 2015 Mr Davies organised for them to visit Wagga Police Station.

Students caught the town bus to the Police Station and were shown around by Senior Constable Matt Davenport (Police School Liaison Officer) and Constable Tim Burke (Police Youth Liaison Officer). The students were given the opportunity to sit in an empty cell, view the interview and random breath testing rooms, sit in the back of a paddy wagon and wear hand cuffs. Most importantly, the class learned that if they ever need assistance that they can approach a police officer.

Thank you Mr Davies, Matt and Tim for an excursion to remember!

PIZZA COMPETITION

RESULTS so far for the Pizza Party for Blood Donors: Year 10 on percentage just ahead of Year 12 with Year 11 quickly catching up. All the donors in the year group will receive as much pizza as they can eat!

Friends and relatives of Kooringal High School, did you know that if you donate blood to the Australian Red Cross and fill out the Red25 form then your donations can be pledged to KHS for the Red25 Shield?
On Friday 15th May students from Kooringal High School were given the opportunity to delve into the creative process with a local, published author Muuky (John Muk Muk Burke). The event was opened to 20 enthusiastic students from year 7 and 8 and the students had a memorable time. Muuky spoke about the creative process. We also looked at the natural rhythm of language and wrote poetry using CS Lewis’ “Jabberwocky” and words from our multicultural Australian experiences. Muuky had something hidden away and with a flourish he presented our group with a damper made that morning using basic ration ingredients. It was devoured with honey and our group was thankful that not only had our intellectual being had been nourished but also our physical. The group hope to have Muuky back for more wonderful writing workshops.

HSC ONLINE provides information and resources on most courses to support student learning and supplement the teaching and learning of schools. For more information visit http://www.hsc.csu.edu.au

Oliva Fawns, Ben Nosworthy, Alex, Ashley Watt, Jocelyn Gray & Christina Fawns at Sydney Town Hall with the Riverina Central Choir
MEDICINE INFORMATION EVENING
For Year 11 and 12 students considering a career in Medicine

WEDNESDAY 24 JUNE 2015
