Principal’s Comment

Goodbye and Good Luck

Sixteen years ago I walked into Kooringal High School for my first day in the principalship. I knew the size of the challenge and the strong reputation of the school particularly in the performing arts and was reminded frequently of the expectations of the community and about our position in the educational landscape of Wagga Wagga.

For me the great challenge was in broadening that perspective and developing a great comprehensive high school where students could achieve at many levels.

I therefore leave with a sense of accomplishment. Our performing arts remain the strongest of any school in town; the academic achievement of our students features strongly with many students going on to university, to TAFE or into full employment; our sporting teams hold their own with other schools in the city and we play with an expectation that we will do our best and acknowledge the achievements of those who are better than us; our leadership programs continue to turn out outstanding leaders and our extra-curricular programs are varied and cater for the divergent needs of many students.

Each term we hold Merit Assemblies for all year groups and each time I get to shake hands with literally hundreds of students who have achieved both in and outside the classroom. It’s a healthy culture and one which builds individual and group recognition.

In particular I would like to express my deep gratitude to all our staff. Our teachers work hard on a daily basis and have a thirst for knowledge. Our support staff in our offices and in our classrooms also have a deep affinity with our school supporting the work that we are doing and we could not be effective without them and their assistance.

I will always hold Kooringal High School dear to my heart. It has given me great joy personally and professionally and I wish the school all the best in the future.

Farewell Mr Ogden

I will not be the only one retiring from the service at the end of this term. Mr Greg Ogden, who has served the TAS Faculty with distinction for the last 38 years, is also leaving to enjoy the serenity of the future.

Not only has Mr Ogden provided great teaching in the classroom he is also one of the architects of our technology provision across the school having spent years developing the school IT framework as we responded to a changing world.

Mr Ogden goes with my personal thanks for his efforts and with my best wishes for happy and healthy retirement.
Congratulations to Lachlan of Year 7 who is the winner of the Year 7-8 division of the Young ICT Explorers Competition in Canberra. Lachlan has designed an App to help people read faster. He now progresses to the next level.

The class of 2015

Congratulations to Naomi of Year 9 who has been selected in the NSW AFL Female Kickstart team. This team will travel to Darwin during the first week of the upcoming school holidays where they will compete at the National Championships. This is the second time Naomi has been selected in this team - a huge achievement and we wish her all the best for this competition.

Congratulations to our girls hockey team who have won the CWTHSSA competition grand final against Wagga High 2-1.

Walk with Me

Our I.O. class took part in the Walk With Me community walk which aims to raise awareness and support for people with a disability and create a world where all are truly included.
Congratulations to all our students who recently received awards at the recent Merit and Sports Presentation Assembly.

Thank you to Ms Sally Shipard who was our Guest Speaker at the Sports Presentation Assembly.

On Tuesday Sam Bannister attended the Minister’s and Secretary’s Awards for Excellence ceremony at Parliament House in Sydney where he was awarded a Minister’s Award for Excellence in Student Achievement. Sam was nominated for his outstanding academic record and strong history of leadership and involvement both in and outside the school. 33 students from across the state received these prestigious awards. Congratulations Sam!
